### Important Information Regarding Your Trip

Name

- If the name on your trip form is not your correct passport name, it is your responsibility to contact the airlines to change the plane ticket to the correct name and pay the fees charged to change your name.

### Border Crossings

- Regardless of your citizenship, prior to making any trip to Central America, you must be certain that you can comply at the border of each country with every detail regarding entry and departure regulations, including those for reentering the United States. *Please refer to <http://travel.state.gov> for more information.*

### LMV Trip Cancellation Refund Policy

- If you cancel 45 days or more prior to the start date of the trip, LMV will give you a full refund, less the cost of any airline tickets that have already been purchased. Later cancellations may result in forfeitures. However, if the trip is canceled for reasons beyond your control, and if the trip cannot be rescheduled, LMV will give you a full refund.

### Trip Costs

- LMV's trip fee covers air travel to and from Central America, plus in-country meals (three per day), lodging, and any required local/regional transportation within trip countries.
- Plan to bring additional money for any alcoholic beverages you wish to consume, sightseeing costs, shopping, and any other incidental expenses.

### Alternate Departure Airports and Transportation

- If you will be departing from an airport other than San Francisco or LAX, you may have to pay extra for your transportation. If you wish instead to provide at your own cost separate transportation to and from the trip start and end locations, LMV will charge you only the in-country trip cost of \$450.00 for meals, lodging and local/regional transportation.

### LMV Membership Requirement

- All trip participants, including volunteer pilots, must have paid current membership fees of \$45.00 before commencing an LMV trip.
